Rustic Canyon features long-time musicians, Becky Johnson (from Nevada) and Bruce Wuollet (Twin Cities). Kim Brown (Minneapolis) joins this talented duo for this special "Rockfest" event, covering crowd favorites from Stevie Nicks to Johnny Cash to 4 Non Blondes.

The New Feral Cats

(Featuring William Ross Perry and John Garden) present an entertaining mix of tight blues-inspired songs for listening and dancing. Offering a solid array of musical styles from Chicago blues to salty New Orleans second-line funkiness, and Memphis soul, to beautifully performed sweet ballads.

Irie Sol

Erupting out of the Twin Cities and Eau Claire, WI with a musical blend that reflects the diversity of its band members - who hail from Kingston, Jamaica; Providence, RI; Chicago, IL; Rio de Janeiro, Brazil; Minneapolis and St. Paul, MN; and Eau Claire and Chippewa Falls, WI - Irie Sol delivers authentic Jamaican chat/DJing and soaring, soulful melodies backed by blazing bebop horns, wailing guitar, and tight drum and bass.
